

## Sales and Service

### Production Discontinuation of CD Version of Servo Support Software MR Configurator2

Thank you for your continued patronage of the Mitsubishi Electric AC servo system. The production of the CD version of the servo support software will be discontinued.

#### 1. Target Model

Servo support software MELSOFT MR Configurator2: SW1DNC-MRC2-E (CD)

Table 1. Model to be discontinued

| Product name             | Description           | Model         |
|--------------------------|-----------------------|---------------|
| MELSOFT MR Configurator2 | CD (standard license) | SW1DNC-MRC2-E |

#### 2. Production Discontinuation

Order acceptance/production discontinuation: September 30, 2024

#### 3. Replacement Model

Servo support software MELSOFT MR Configurator2: SW1DND-MRC2-EC (DVD)

Table 2. Replacement Model

| Product name             | Description        | Model          |
|--------------------------|--------------------|----------------|
| MELSOFT MR Configurator2 | DVD (site license) | SW1DND-MRC2-EC |

#### 4. Reasons for Discontinuation

Additional functions have increased the software size and the software can no longer be stored on a CD.

#### 5. Site License Product

The DVD product, which replaces the CD, will be a site license instead of a standard license. Purchasing one site license allows unlimited installation on personal computers within the same business office of the corporation that purchased it.
